

43 rd FIESTA UROLOGY

Date	Plan
27 March 2026	Submission Start
6 June 2026	Submission deadline

1. Submission Period

Abstract submission will open on and will close on . Abstracts submitted after the deadline will not be considered.

2. Originality of Work

The work described in the abstract must be original and not previously published, whether as a manuscript or abstract. If it has been presented at another scientific meeting, authors must clearly disclose the date and location of the presentation during submission. The Abstract Review Committee will assess the submission using all available information.

3. Categories of Submission

The Scientific Committee accepts abstracts in the following categories:

- Original Research (observational or experimental studies)
- Case Reports
- In vitro Studies
- Animal Research
- Review Articles (Systematic Reviews and Meta-analyses)

4. Abstract Structure

Original Research and Review Articles

Abstracts must include the following sections:

- Introduction
- Materials and Methods
- Results
- Conclusion

Case Reports

Abstracts must include the following sections:

Symposium | Live Surgery | Workshop | Scientific Competition | Sport Competition

JW Marriott Hotel Surabaya

**1st – 4th July 2026
6th – 11th July 2026**

43 rd FIESTAUROLOGY

- Background
- Case Report
- Conclusion

5. Word Limit

Abstracts are limited to 350 words.

6. Figures and Tables

Figures, tables, graphs, or images are not permitted in the abstract submission.

7. Presenter Policy

Each abstract must have only one presenting author.

8. Language

All abstracts must be written and submitted in English. Authors are responsible for ensuring correct grammar and language quality prior to submission. Abstracts with poor language may be rejected by the Scientific Committee or sent back for immediate revision.

9. Submission Method

Abstracts must be submitted electronically via the official Fiesta Urology website. After submission, they cannot be changed, corrected, or revised.

10. References and Acknowledgements

References, acknowledgements, credits, or grant support should not be included in the abstract.

11. Drug Names

Only generic drug names should be used. Brand names must not be mentioned.

12. Abbreviations

Standard abbreviations can be used without explanation. Non-standard ones should be limited and introduced with their full form initially, then followed by the abbreviation in parentheses.

13. Submission Limits

Each presenter may submit a maximum of:

- 2 abstracts (original research or review articles)

Symposium | Live Surgery | Workshop | Scientific Competition | Sport Competition

JW Marriott Hotel Surabaya

**1st – 4th July 2026
6th – 11th July 2026**

43 rd FIESTA UROLOGY

- 2 case reports

14. Review Process

All submitted abstracts will undergo a blinded peer review process and will be evaluated by at least two independent reviewers.

15. Blind Review Policy

To ensure a double-blind review, author names and institutional affiliations must not appear in the abstract title or abstract body.

16. Author Information

Author names and affiliations must only be entered in the online submission form. Do not include the author list inside the abstract file.

17. Author Name Consistency

Authors must ensure that their names are written consistently across all submissions to guarantee accurate indexing.

18. Notification of Acceptance

The corresponding author will receive an official notification via email regarding:

- Acceptance or rejection of the abstract
- Assigned presentation category
- Session schedule

19. Registration Requirement

Acceptance of the abstract will be considered final only after the presenting author completes the conference registration and payment.

Symposium | Live Surgery | Workshop | Scientific Competition | Sport Competition
